Description

The Associate of Applied Business, Major in Marketing at Clark State partners well with the BS in Commerce at Miami University.

The Bachelor of Science in Commerce Degree, Major in Small Business Management requires 124 credit hours. At least 30 of those hours must be earned at Miami, including the 12 of the final 30 credit hours. The matches below indicate specific courses you may be awarded after successfully completing those courses and transferring to Miami University.

Note: Neither Miami University nor the Clark State Community College shall use the name, logo, likeness, trademarks, image or other intellectual property of either of the other parties for any advertising, marketing, endorsement or any other purposes without the specific prior written consent of an authorized representative of the other party as to each such use. Clark State Community College may refer to the affiliation with Miami in public information materials regarding the relevant Program. Miami reserves the right to review and request modification of Clark State's reference to Miami as necessary. Clark State may refer to the affiliation with Miami in its brochures and other public information materials having to do with the Program.
