

2021-22 Satisfactory Academic Progress Appeal Maximum Timeframe

Financial Aid

Clark State College students receiving federal financial aid are required to meet Satisfactory Academic Progress (SAP) standards. Evaluation of SAP is completed at the end of each semester. Students who do not meet the SAP standards have the right to appeal. Clark State policy allows each student two approved SAP appeals during their enrollment at Clark State.

Students are considered to have an eligible SAP status if they:

- Maintain the required cumulative grade point average (GPA) of 2.00 or better.
- Satisfactorily complete enough credit hours to have a completion rate of 67.0% or higher.
- Will graduate within 150% of the credit hours required to complete their academic program.

To review the SAP policy, refer to: [Clark State S.A.P. Policy](#)

Satisfactory Academic Progress appeals can be filed by students to document unforeseen and extenuating circumstances that impacted the student’s ability to complete their degree or certificate within 150% of required credit hours.

Appeals must be submitted seven days before the start of the semester the student is seeking reinstatement of federal student aid. Students will be notified of the decision (Approved, Pending or Denied) by email to their Clark State student email.

All appeals must be signed by the student and a Success Coach/Faculty Advisor and include an Academic Plan that plans all courses needed to complete program.
