

Athletic Training Bachelor of Science in Education (BS) Clark State to Wright State Completion Program

Students at **Clark State Community College** should complete the following courses in preparation for transfer to Wright State University to pursue the BS in Athletic Training. See the articulation chart on page two of this agreement for a detailed list of courses required for the BS in Athletic Training at Wright State University.

Students are encouraged to complete the **Ohio Transfer Module** while at Clark State Community College. The following courses should be taken as part of the Ohio Transfer Module in order to meet specific general education requirements for the BS in Athletic Training.

BIO 1105 Fundamentals of Anatomy & Physiology
CHM 1210 General Chemistry
PSY 1111 Introduction to Psychology
STT 2640 Elementary Statistics

Students are encouraged to complete the following additional courses while at Clark State Community College:

MST 1105 Medical Terminology
BIO 2121 Anatomy & Physiology I
BIO 2122 Anatomy & Physiology II

Currently, there is no associate degree program that aligns with the BS in Athletic Training.

Admission into the BS in Athletic Training

Students applying for admission to the university may be admitted to pre-major status in order to begin appropriate coursework while completing the process for full program admissions. Admission into pre-major status requires a 2.5 or better cumulative GPA (*effective summer 2016: admission requires a 2.75 GPA and a composite ACT score of 21 or composite SAT score of 1000*).

The Athletic Training program admits new students two times time per year – Fall and Spring. All application materials must be submitted by February 1st to be admitted into the program for fall semester of that academic year and by July 1st to be admitted for spring semester of that academic year.

Admission Requirement

Proof of 2.5 or better cumulative GPA
Wright State University acceptance letter
Program Application
Typed essay of life experiences candidate brings to the AT program
Technical Standards Form
Unofficial High School and College Transcripts
Medical History Form
Proof of current physical
Three Recommendation Forms
Admission Interview
