Part B - Selective Service Exemption

If you are exempt from registering with Selective Service, please select an exception from below. Please follow all instructions associated with the exemption you select including submitting additional documents, if necessary.

- I was born a female and therefore am not required to register.
- I am a male who was born before 1960. Documentation Required: Official government-issued document showing date of birth such as state ID card, driver's license, passport, or birth certificate.
- I am currently in the armed services on active duty. Please note: This does not apply to members of the Reserves and National Guard enlistee who is on active duty for state or training purposes.
- I was in the military. Documentation Required: Please attach a copy of your DD214.
- I am a resident of the Federated States of Micronesia or the Marshall Islands or a permanent resident of the Trust Territory of the Pacific Islands (Palau). Documentation Required: Please provide proof of residency.
- I was incarcerated, institutionalized, hospitalized or confined to home from age 18 through 25. Documentation Required: Attach proof of each instance including dates.
- I am a non-citizen male who entered the US after age 26. Documentation Required: Date of entry stamp in passport, I-94 with date of entry stamp on it, or a letter from the U.S. Citizenship and Immigration Services (USCIS) indicating the date you entered the United States. If you entered the U.S. illegally after your 26th birthday, you must provide proof that you were not living in the U.S. from age 18 through 25. Please note: Resident Alien Card (Green Card) is not valid as proof of the date of entry to the United States.
- I am/was a non-citizen who entered the US as lawful nonimmigrant on a valid visa and remained in the U.S. on the terms of that visa until after I turned 26. Documentation Required: For example, if you entered the United States on an F-1 student visa and remained in that status until your 26th birthday, you would need to provide documentation indicating that you were admitted on an F-1 visa and attended school full-time as

required. Acceptable documentation for this situation includes a copy of your I-20 form or a letter from the school(s) you attended indicating your full-time attendance as a non-immigrant alien. The same requirement applies for all non-immigrant statuses. Please note: If, at any time, your citizenship status changed before the age of 26, you may have been required to register with Selective Service. For example, if you were a male who became an eligible non-citizen on your 23rd birthday and you were no longer on an F-1 student visa, you were required to register at that time. If this scenario is representative of your situation, please address your circumstance for not registering in Part C.
