

Political Economy Transfer Program

Students who complete an **Associate of Arts (AA)** degree at Clark State Community College may transfer into the **Bachelor of Arts in Political Economy** at Antioch College. Students should verify their Satisfactory Academic Progress (SAP) requirements with the financial aid office at Clark State before pursuing classes outside of their AA degree requirements. Students at Clark State who have questions about the transferability of specific courses should contact the Registrar at Antioch College at registrar@antiochcollege.edu.

Admission Requirements to the Political Economy Program at Antioch College

- 1) Cumulative GPA \geq 2.0
- 2) Grades of C or higher in all courses considered for transfer

This agreement will expire on October 1, 2018

Total	7-10

*Majors Requirements
(beyond those listed in Gen Ed)*

PSYC 335	4
(varies)	
	10-15

a Antioch College transfers courses by equivalencies, not credits; most courses are 4 quarter credits, and labs are not separate courses.

b To satisfy part of the General Education requirements at Antioch College, transfer students are only required to take one course in each of the areas of Arts, Humanities, Sciences, and Social Sciences. However, more than this will be accepted for transfer credit, and *students are strongly encouraged to satisfy the general education requirements at Clark State to receive a full Associate's Degree before attending Antioch College.* While Antioch College does not require OTM-approved courses, students are encouraged to take OTM approved courses to ensure greater transferability.

c Students should take both STT 2640 and STT 2650 while at Clark State; additional coursework in statistics (MATH 205) will be required.

d Students interested in graduate/professional study in economics, political economy, or related areas are *strongly encouraged* to take additional math courses, notably MTH 2200, MTH 2220, MTH 2240 and MTH 2330.

While the Associate of Arts degree is 60-62 semester credit hours, students are strongly encouraged to complete all of the coursework listed above to prepare for their third year at Antioch College.

To complete the General Education requirements at Antioch College, a student transferring from Clark State Community College who has completed an Associate's Degree and the Ohio Transfer Module will need to take the following additional General Education courses:

Antioch College Gen Ed Requirement	# Courses	Notes
Arts course of any level	1	Only if a student did not take an Arts course to satisfy Area 3: Literature, the Arts, and Humanities
Global Seminar	1	No transfer equivalency at Clark State
Work Portfolio + Cooperative Education Experience	1-2	A variety of possible transfer options exist
Senior Reflection Paper	1	No transfer equivalency at Clark State

To complete the general degree requirements at Antioch College, a student transferring from Clark State Community College must demonstrate an appropriately high level of oral proficiency in a second language. *Antioch College has a proficiency-based language program; as such, language courses do not automatically transfer.* Credit by Examination in Languages may be awarded upon demonstration of language proficiency.

The remaining requirements below are subject to change. Contact the Registrar at Antioch College at registrar@antiochcollege.edu, or consult the Antioch College Curriculum Catalog.

To complete a BA in Political Economy at Antioch College, the following courses must be completed. Courses that have equivalencies at Clark State Community College are listed.

Antioch College Degree Requirement	Qtr. Credit Hours	Clark State Course	Sem. Credit Hours
PECO 105	4	(No equivalency)
