THESE ARE THE HANDS OF HEALING

These hands are connected directly to the heart.
No matter how much knowledge is in the head,
healing comes from the heart through the hands.

These are the hands of healing...These are the hands of healing.

These hands touch the dying, the poor, the lonely and the unwanted.
These hands are guided by the wisdom that knows
when another needs a healing touch.

These are the hands of healing...These are the hands of healing.

These hands are touched by the grace that is willing to do the humble work.
Joy and laughter lighten the spirit
that fills these hands with compassion.

These gentle, healing hands are strong and capable.

These hands are a blessing to those in need.

These are the hands of healing...These are the hands of healing.

THE FLORENCE NIGHTINGALE PLEDGE

I solemnly pledge myself
before God and in the presence of this assembly
to pass my life in purity and to practice my profession faithfully.

I will abstain from whatever is deleterious and mischievous
and will not take or knowingly administer any harmful drug.

I will do all in my power to maintain and elevate
the standard of my profession and will hold in confidence
all personal matters committed to my keeping
and all family affairs coming to my knowledge
in the practice of my calling.

With loyalty
I will endeavor to aid the physician in his work, and devote myself
to the welfare of those committed to my care.
