

Ford Auto Tech Scholarship

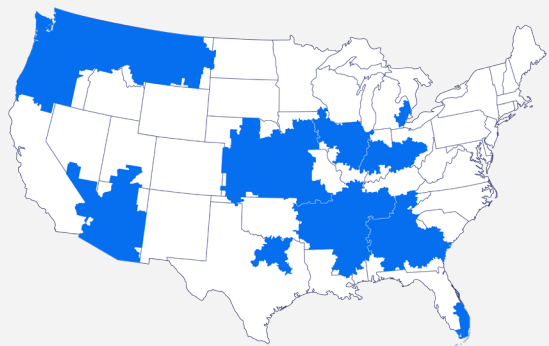

Ford Fund and Ford Dealers welcome the next generation of auto technicians by awarding \$5,000 tuition scholarships to students pursuing careers in auto and auto/diesel technology. This need-based scholarship is applied to a student's school tuition account and may be used for all cost of attendance, including tuition, tools, living expenses and transportation.

Apply before Aug. 31, 2024

Visit techforce.org/FordFund for more information and to apply for the scholarship.

Please note that scholarships are reviewed and awarded on a rolling basis and before applying, you must complete a TechForce profile, including a general application.

Eligibility

Any individual (high school graduates, career-changing adults, veterans, reskill, etc.) pursuing a degree or certificate in automotive technology (including diesel) in the greater Atlanta, Chicago, Cincinnati, Dallas, Detroit, Kansas City, Miami, Memphis, Phoenix, and Seattle shown on the map.

Who can apply?

- Be a U.S. citizen, permanent resident or approved DACA status
- Be an enrolled future student -or- an active, current automotive or auto/diesel student at a post-secondary Institution in good standing
- Have a completed and approved FAFSA with an EFC under 40000 on file at campus. DACA students will have financial need verified by campus
