

## 2025-26 Unusual Enrollment History

The U.S. Department of Education has established regulations to prevent fraud and abuse in the Federal Student Aid program by identifying students with unusual enrollment histories. Some students who have an unusual enrollment history have legitimate reasons for their enrollment at multiple institutions. However, such an enrollment history requires our office to review your file in order to determine future federal financial aid eligibility. If selected by the Department of Education, this must be resolved before you will receive financial aid.
